

FOR RESTAURANT OWNERS

What is Yypee?

Yypee is the largest marketing, advertising and communications platform exclusively built for the restaurant industry only. Restaurant owners can now offer, share and communicate, all in one application, everything they want to about their restaurant with customers.

What will Yypee do for you and your restaurant?

Significantly reduces your marketing costs!

Makes you more efficient!

Bring customers in more often!

Helps you grow your customer base!

Motivates your customers to spend more money!

Makes marketing easier and simple!

Organizes everything into ONE application!

What features about your restaurant can you market on Yypee?
